

Detroit Innovation Academy

Office of Civil Rights Memo

To Whom It May Concern:

Detroit Innovation Academy is committed to ensuring that information provided through the academy's website(s) is accessible to students, prospective students, employees, and guests with disabilities. The accessibility of the Academy's online content will be provided to stakeholders with any disability including but not limited to visual, hearing, and manual impairments as well as those who require use of other assistive technology to access information.

Please visit our website to learn more:

www.diachampion.org

To access the Academy's Accessibility forms, file a complaint, or view the Website Accessibility Policies please click on this link: http://www.diachampion.org/accessibility_form
